of the quarantine regulations than to the fever itself.

Origin of the Yellow Fever Epidemie. Washington, Aug. 4.-The Marine ospital officials at Hampton have suceded in tracing and locating the former inmate of the soldiers' home who is believed to have brought yellow fever to that place. His name is Wm. Thomas. He arrived at the home on a transport from Santiago, where he had been visiting between July 2 and 5 last. He was admitted to the home as a veteran, and shortly after developed chills and fever. In the light of subsequent events, the experts believe there is little doubt that he was affeeted with a mild case of yellow fever, although it was not diagnosed as such at the time.

When well enough to travel he left the home and his baggage was sent to an island, and one of the most beauti-Surgeon General Wyman regards it
